

# Start loving your commute with the **Fiat 500 Pop.**

**H**ip, with classic, curvy silhouette, the Fiat 500 has evolved! The cheeky city car has gone hybrid and it won't eat into your income. The petrol engine cuts fuel costs by £350 p/a and reduces carbon emissions. Acceleration smoother, steering lighter; this agile drive makes city driving a cinch.

Casually chic, new ribbing and enhanced whiskers give it appeal and attitude while rear light clusters, chrome inserts and handles add flair to the Fiat... Stand out in the city!

The Fiat 500 cabin is made from recycled materials and sea-recovered plastic. A conscience and eco credentials! A dreamy dew green colour inside; seats are ergonomic, comfy and surprisingly spacious with stylish fabrics/eco leather uppers. The full-length canvas roof impresses while upgraded dashboard and steering wheel have endearing retro touches.

Fiat 500 has high-performance air filter, purifier and an ultraviolet light, to disinfect the steering wheel, shift knob, and seats.

## Drive clean and easy... Fiat Pop won't scrimp on safety:

■ Poly-elliptic headlights

■ 7 airbags

■ Height-adjustable steering wheel

■ LED daytime running lights

■ Electric front windows

■ Remote central locking.

■ Electrically adjustable door mirrors

Timeless... yet totally in tune - with Uconnect entertainment sound system, USB/AUX inputs and steering wheel mounted audio controls.

**Why wait? Test drive one today!**
